

## GLASS WORKSHOPS IN AYR - 2012

### **2 DAY COPPER FOIL COURSE FOR ADULTS- £130 for 2 days (inc. materials & refreshments)**

Learn the traditional techniques of stained glass and make a small copper foil panel to take home (max. size 5" sq). The first day will be learning to cut glass, finalising/choosing a design and cutting the glass for your panel. The second day will be preparing glass to foil, learning to solder and the important finishing touches.

### **1 DAY COPPER FOIL AND MICROWAVE FUSING COURSE FOR ADULTS - £70 (inc materials & refreshments)**

Have fun learning to fuse glass in a domestic microwave combined with the traditional skill of copper foiling. Make and take home some fused glass jewellery and a sun-catcher with fused and copper foil techniques.

Autumn & Christmas dates to be arranged. Please call to arrange suitable dates for 2 day classes

Classes are normally on a Saturday, however weekday classes can be arranged on request. All classes run from 10am - 5pm each day. Maximum number of students in each class is 3. Please wear old clothes and sensible shoes and bring an old apron. Classes using lead or lead solder are not suitable for pregnant women. All classes are for complete beginners, unless otherwise requested.

Please call or e-mail to reserve a space. Bookings are confirmed on receipt of payment.
